P.R. Area Report

H&I Area Report

H&I continues to hold panel meetings once a month at 3 facilities which are Pathways, Edgefield, and Longleaf. All of those meetings are going well. The Panel Leaders submitted their reports at our last subcommittee meeting. There are several addicts who are interested in joining H&I and several addicts were recently orientated by Robbic and we would like to welcome everyone to this vital service of carrying the message of recovery to our local treatment centers. I will be submitting an order for more L.P.'s in about 2 months and I would like to thank this Area for their support for H&I and our other service sub-committees.

Greetings members,

I have submitted an updated meeting list for our area which includes our new group called Gratefully Dedicated which meets Saturday nights and they will have a book study format which would be reflected as such on the region and world meeting search. I have received information about having access to update our meetings on both the regional and world website sites. The P.R. Regional Chair wants to hold some type of workshop to share this information. Currently, the Regional P.R. Chair has updated our meeting list on the Regional Website and the Region voted to have any Area access to have a web page on the regional website which is already part of the cost for region to maintain that site. I have also submitted our current list to Lee at Region to update the world website.

I have orientated a willing female volunteer to be included in our Hotline contact list. I also solicited suggestions at Region on ways in which we can get the message of recovery out through media and other outlets in our area within the guidelines of Public Relations. I will have a followup report on using the media outlet when I receive more information.

The last subcommittee meeting which was Saturday January 12th voted to have business cards printed as one way to get the message out and our committee will finalize that design and then submit that idea and the cost to Area.

Respectfully Submitted
