P.R. Area Report

Greetings members,

Our last subcommittee meeting was Saturday September 8th. I shared with our committee about my efforts in getting some type of way to have the life saving message of recovery to the clients at Gateway. We will still follow the process of 2 addicts representing Narcotics Anonymous to find out the needs of that facility and what we can offer. I suggested that we make this a Public Relations speaker type meeting which still need to include at least 2 or more Addicts.

I have also updated our Hotline information so that a potential caller will have updated information about what we offer in our local Area. I will need to get back in touch with Region to find out the delay in updating the na.org meeting list for this area as well as on the Region website.

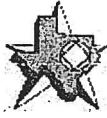

Respectfully Submitted
