H&I Area Report

H&I still continues monthly meetings at Gateway on the 1st Saturdays of the month from 6:30 to 7:30pm and the proceeding Saturdays are speaker meetings from N.A. members with 1 or 2 addicts sharing their own story and still keep within the traditions of N.A. We also have H&I meetings at the Red River Treatment Center in Tioga on the 1st Tuesdays from 6:30-7:30pm and a speaker meeting on the 3rd Tuesdays of every month. Both facility meetings are going well with no major issues and I still have plenty of literature for both meetings. We still need to practice social distancing and mask requirements per facility and state guidelines. I would like to thank all those who are a part of this vital service to reach the still sick and suffering addict.

P.R. Area Report

Greetings members,

Myself and other members have verified that the High Noon meeting is no longer an N.A. meeting. When I attended that meeting, it was an A.A. Meeting with all the readings for that fellowship as well as being a Big Book study. As far as I can tell, there is only a single home group member who does book study with the treatment center. I have updated the meeting schedule in anticipation of our Area voting to remove that group from all N.A. related meeting lists. The Sunday night meeting at that location is still an N.A. meeting and will remain on our N.A. related meeting lists. I also redesigned the updated meeting list with plenty of room for phone numbers on the back. I made a separate design for the treatment centers because they do not need the phone list since we are encouraged not to give out our phone numbers as panel members and speakers. Instead, I have information for our Area and Regional Hot-lines as well as our Area and Regional websites along with the 3rd Step Prayer. There is still an issue with the updated information flowing to the na.org meeting search data base. Richard is still working to resolve that.

Thank you for allowing me to be of service.
