## **H&I Area Report**

H&I still continues monthly meetings at Gateway on the 1<sup>st</sup> Saturdays of the month from 6:30 to 7:30pm and the proceeding Saturdays are speaker meetings from N.A. members with 1 or 2 addicts sharing their own story and still keep within the traditions of N.A. We also have H&I meetings at the Red River Treatment Center in Tioga on the 1st Tuesdays from 6:30-7:30pm and a speaker meeting on the 3<sup>rd</sup> Tuesdays of every month. Both facility meetings are going well with no major issues and I still have plenty of literature for both meetings. We still need to practice social distancing and mask requirements per facility guidelines. We have been asked to add an additional H&I meeting for their 3.1 program which is similar to what Bridge-house did. They chose N.A. because of our willingness to provide a clear and consistent message of Recovery in an organized manner.

I would like to thank all those who are a part of this vital service to reach the still sick and suffering addict.

Respectfully Submitted

Trevis J

H&I Chair

**P.R. Area Report**

Greetings members,

I have completed updating our meeting list on all related N.A. sites with the exception of a website called In the Rooms. This is not considered an N.A. endorsed site because this is a private for profit organization but they are being utilized by members and professionals who are not familiar with recovery and this site will pop on search engines like google for those looking for a meeting or information about recovery. I informed our Regional P.R. Chair that I think that it's important that the information on that site is at least accurate and I am working to resolve this with that site and Richard is willing to help with providing the accurate current meeting information to them for our entire Region. I also worked with Richard last night on our Area Website cenlana.org where he trained me on adding and changing things on there. I have already started adding events to the website and started downloading our previous Area reports for anyone who wants to view them. We can add other things that are relevant to our Area as needed. I am submitting an invoice for \$100 to pay Richard back for the 2 years that he has been paying for keeping this site open which is less than half of what he actually paid. I have added my credit card last night for all payments to be charged to me.

Thank you for allowing me to be of service.

Respectfully Submitted
