Treasurer report

Hello Everyone:

I am providing you with the yearly Treasurer's report; July 2020 through June 2021. It is no surprise that donations were down due to Covid and lack of physical meetings. We (The Region) managed to send out (donate) more money than we had come in.

This month we are paying \$300, our yearly webhosting fee and \$204 for our P.O. Box. This is a \$36.00 increase from last year.

I spoke with the Northshore Area Treasurer, asking if the generous donation they made to the Region, included the \$300 reimbursement. It did not. They brought the reimbursement to the Regional meeting. I want to thank the North Area for putting on the Region this weekend. Let us make sure to get our rotation written down so we can provide the next Area with the seed money.

Please see attached treasurers balance sheet.

Pixie Storer

My name is Doug and I'm an addict. We still have meetings every day at River City clubhouse at 7pm and a couple more meetings at No Limit Recovery House. The meeting called High Noon in Pineville turned into a AA meeting. I have two donation checks for \$217.24 and \$283.54 for this RSC. We thought we mailed one of them but it was never received so we canceled the check costing I think \$35. We had our elections in May and filled every positions except for a few. Our ASR was unable to come this weekend so you got me dully elected ASRA. We are experiencing low attendance at meetings but our keeping them open. I need a set of guidelines of the RSC if I can get some. H&I is currently in 3 facilities every other week

Greater Baton Rouge

Things are chugging along in Greater Baton Rouge Area. We added a new meeting "Willingness to Change Group" on Tuesdays at 7pm in the Mall City Area. We continue to share meeting list with Bayou Area. We will get with Allison to update both areas meeting list. Our annual Fish Fry will be held on Saturday Sept 4th at BREC park. Meeting attendance is picking up at most meetings. Regional donation today is \$113.

Lake Area

Hi Family,

I am representing the Lake Area. Our area has 8 groups and 41 in person meetings a week. A new group joined area and new meeting schedule is attached. H & I is being brought into three treatment center. A new H&I commitment has been added at the sanctuary a men facility. We have resumed our banner runs to help with unity in our area where we visit groups and grab their banner. We have no 7th donations at this time. The regional website and NA app have all been updated and are correct for the area meetings that are being held.

New Orleans Area

Good morning fellows. New Orleans Area currently has sixteen groups meeting twenty-nine times a week in person, as well as nine groups meeting thirty-eight times a week virtually. These meetings can be found at www.noana.org

H&I currently has four weekly commitments at four different facilities in the Area. Our A&F is also planning an H&I Learning Day which will be held on Saturday, August 14th, 2021. Location and details are still being set in place and I will send flyer and info as soon as I get it.

A motion was presented and passed enabling our Public Relations committee to start a project in putting together a book on the "History of the New Orleans Area of Narcotics Anonymous". The intent is for this book is to provide our members with a brief history of how the New Orleans Area was started. The book will be sold at cost to recuperate the funds needed for publishing and is in no way profit based.

Our convention, NOACNA XIII, was a great success and we'd like to thank the Region and our neighboring Areas for their support, accommodations and participation. I will have more details and clarity of the result of the Convention after I get a formal, presented report at our Area meeting later today.

Regional Delegate

Hello fellow Regional Services Members,

I am so happy to be here with you whether in person or virtually. Allow me to apologize in advance if my report isn't cogent. With the Covid Pandemic subsiding I am incredibly grateful that we all made it. (Saddened for those we lost) And I love the silver lining that it produced! There are literally thousands of new members that came to us through virtual NA Meetings and have made a year clean without walking into the rooms (physically) of Narcotics Anonymous yet!

It was an honor and a privilege to serve at our Regional Virtual Convention. I was very saddened by the poor support and attendance of the members of our actual Region. Yet the message was carried and everything that I heard in terms of feed back was positive. Some gave more than eighteen hours in a row of Service. Thank you to all that served to make the Convention a success.

Thanks, Nikki, for sending out to the ASR's the "Vision and Purpose Statement" that was created by a collaboration of the U.S. Zones. And to clear up any confusion, the U.S. Zones is not a formal service body (yet). We are looking at ways to further carry the message to the still suffering addict and we recognize whom we serve. This collaboration comes from the Strategic Plan from the 2018 WSC [World Service Conference]. There are many that think that a formal U.S. Zones combined would greatly enhance our National PR/H&I and Outreach capabilities. For example, a U.S. Zones website that would connect all the Groups, Area's and Regions, Zones in the U.S. And in addition to that give us a National presence with Government and the American Treatment Industry. This is all ideas at this time, nothing formal has been voted on by the Groups. And there seems to be many that have no understanding of what our Zones do... Simple example our Southern Zonal Forum are Nine Regions that come together for idea discussion, some service efforts like PR (internal and external), Outreach and Hospitals and Institutions. Truly a work in progress and I will keep everyone informed. Two copies of the minutes from the last Southern Zonal Forum are available. ASR's please take these items back to your respective Area's:

- 1.) Do we want a Zonal Delegate Alternate?
- 2.) What name would you want a collaboration of U.S. Zones to be called by?
- 3.) Do you want the U.S. Zones to have a Website?
- 4.) Do we want a FD IDT or would we all be on the same page about FD in the U.S.?
- 5.) There is no financial burden in these efforts. Question, how can local members become involved? Email Lucy O. to be added to our Mailchimp email list... email recorder@szfna.org

We as a body decided to hold off meeting in person until the Multi Zonal Service Symposium this August in San Antonio Texas. All Zones from the U.S. and around the World are invited to attend. There's a copy of the flyer attached and is going around. Please take a pic of the flyer. I will submit my expense report for that at our next

Regional Meeting, for reimbursement. No worries.

At WSC Conference Participants meeting's that are happening virtually monthly we are looking at the practicality of holding the World Service Conference next April 2022 in Woodland Hills CA. in person. There is also a great deal of concern about the scheduled World Convention in Melbourne Australia. Contracts were signed and a decision will be made prudently very soon. One of the main concerns is the financial liability involved. The other concern is the Covid and it's restrictions.

Our World Services took an extremely hard financial hit at the beginning of and throughout the pandemic. We are still struggling, and it is crystal clear that dependance on Literature Sales is not a way forward. Moving the money through the service structure is critical. There is a "Contribute Button" at na.org! We are asking everyone to give what they can afford. You can make a contribution in someone else's name that you want to honor. You can make a onetime donation or make it recurring like a dollar for every year that you are clean monthly donation. You know the whole "Fully self-supporting declining outside contributions" piece. Please consider this personally and please announce at your Groups. Thanks!

I really hope that the workshop done Virtually with our friends from the NEZF (North East Zonal Forum) was good for our ASR's. (RCM's is what they're called across the US) This is another example of service's that our Zones provide to the Fellowship. Please get with your Area and find out what workshops will be helpful to assist them in growing. Just let me know and we will do our best to get it on the calendar. NOTE: Admin, please start planning for our Area's to receive the C.A.R. (Conference Agenda Report) that is coming out in November. I am willing to travel to your Area to gather your Group/Area Conscious.

I am submitting a request for \$ _____ , one room night only. The invoice is submitted with my report. It is sincerely my honor to serve you our Region and the Fellowship of Narcotics Anonymous. Thanks! Any questions?

H&I

Hi Family,

Thank you for the opportunity to serve. Some H & I commitments are currently on hold because of COVID restrictions but more are opening up. The following areas are currently participating in H & I:

The Lake Area is bringing H & I into three treatment centers

I am aware that Lafayette area is going to one treatment center as well.

Central does have one commitment being honored as well.

Northshore is also going into one treatment facility at this time.

I have not been informed if and when we will return to Angola.

I have been told that the women will start back at the women's prison this month.

A H & I presentation was conducted in Lake Area as well as the North Area this quarter. Please let me know if your area wants an Orientation. I can travel and willing to orient your area so we can bring a clear NA message to all commitments.

I am asking that every ASR please have their H & I chair contact me or give me their contact number in the chat box so I can make sure we have all the updated information. The region will be updated when H & I commitments will commence around the state.

Please contact me with any upcoming orientations or if any areas would like a H&I orientation please contact me at 337-304-3419.

In loving service,

Scotty H.

Outreach

Here's the status of the new groups in North Louisiana:

Winnsboro: Meeting each Tuesday at 8:00 pm via zoom. At this time there is no timetable for resuming in person meetings as covid is still rampant there. We hope this changes in the future.

Homer: The Black Sheep Homer Outreach meeting is held each Thursday at Homer City Hall in Homer, LA. The attendance is 5 to 8 locals. They are fully self supporting and are chairing their own meetings.

Farmerville: The Farmerville meeting is held at 7:00 pm on Friday at Farmerville United Methodist Church. The original members that started the meeting have moved away. The meeting is being supported by members of the Black Sheep Group from Springhill & Homer, and Crossroads in Ruston. The last meeting we had six in attendance. We are picking up more locals and are encouraged about the long term future of the group.

Monroe & Columbia: The Huslin' Hope Group meets 7:00 pm Tuesdays at First Baptist Church in Columbia and 7:00 pm Thursdays at First United Methodist Church in Monroe. They also host 29 zoom meetings per week. Their meetings are going well and they have joined the North Louisiana Area.

Public Relations

PR focus this past quarter has been on infrastructure. The New Orleans Area website has been rebuilt and now uses the BMLT project plugins for displaying meeting information online and generating printable meeting lists. Unity Area now has their own website. Webservants are in process of being trained for any area that requests training. We now have trained webservants for North, Central, Acadiana, Unity, and New Orleans areas with training in Lake Area scheduled soon.

I have visited Central, Acadiana, Unity, and New Orleans Areas and met with their PR Chairs and PR subcommittees and did training and presentations. I went to Lake Area but got caught in a flood and had to abort, so I had to meet with them later via phone. Unity Area is now using the Region Helpline

number. Lake Area voted to port their Helpline number so they can use the Region helpline infrastructure and keep their same number. I will be presenting this to New Orleans area soon and Central Area is considering it. This currently gives us North, Unity, Acadiana and Lake areas using the Region Helpline infrastructure as their area helplines. The Area meeting list admins are doing a great job of keeping their meeting list data current. NAWS is being overwhelmed now with all the meeting changes nationwide so they are staying further behind us than normal in keeping their meeting data up to date. Lori W at NAWS is working hard to catch up and doing a great job. The meeting results displayed on by our regional website, on the areas websites, and utilized by our Helpline will always be more current than NAWS. I'm assisting in a PR effort in North Louisiana Area. They are getting tear off posters and business cards out from Shreveport to Monroe and all points in between. This is an ongoing effort that will be continuing throughout the year. I have also met or developed relationships with Drug Courts in Shreveport and Monroe as well as the DA's office in Columbia and Claiborne Parish as well as local courts in several cities. I am available to assist any of our areas with any of their PR efforts and can travel to you if I can help. I have a couple of motions related to PR that will be submitted at this RSC. A motion to fund the \$5,000.00 proposal from Lamar Advertising that will get us 50 poster sized billboards evenly spread across the region. Another motion to fund post boosts from the Region public Facebook page. We now have guidance from NAWS as they now have a public Facebook page so we can use them as an example.

Thank you all for allowing me to be of service.

Information of Interest

Greetings Members and Trusted Servants of the Louisiana Region:

Attached to my report will be minutes from the May LRCC Board meeting. Since our last RSC meeting, the BOD has met once. We postponed our July meeting as it was originally scheduled on the same weekend as the July RSC meeting.

The virtual convention was a great success, with a total of 566 online attendees logging on at various times throughout the day. There were attendees from all over the world and great speakers and workshops. Thank you to all who worked to coordinate the speakers, schedule, logistics, hosted and chaired workshops, monitored breakout rooms and worked to give addicts an alternative to gather when we could not do it in person.

We are still seeking bids to host the 2022 convention. We had one ASC approach us to express an interest in hosting, and the BOD was prepared to assist them with getting started, however, they decided to consider putting in a bid for the 2023 convention instead. Once again, I have included the bidding guidelines in my report. Time is of the essence, as we are already in July, and the initial process of negotiating a hotel can be time consuming, and fundraising should start soon.

Once again, the Board discussed the banners from previous conventions. After seeking input from the RSC at the April meeting, the BOD voted to throw the banners away.

ILS,

Denise Howell

Creating a LRCNA convention proposal/bid:

Bids are generally created and submitted by individual members of Narcotics Anonymous who live within the region of Louisiana. (Previous convention experience in this group is extremely important). The bid and the group submitting that bid (hereafter referred to as the Bid Committee) must have the endorsement of a member Area of the Louisiana Region.

Members of the bid committee should be willing to serve on the host committee if they are awarded the convention, keeping in mind the clean time requirements for host committee members as listed in these guidelines (See pages....)

The bid committee will identify potential sites for the convention and with a member of the Board of Directors, will approach that site with a bid outline (general requirements for the convention site) in order to obtain a proposal from that site.

1. The bid outline will include but not be limited to the following information requested and given:
 - a. Date of proposed convention
 - b. Meeting room availability and capacity
 - c. Number of rooms available for lodging and cost (room block)
 - d. Availability and cost of sound equipment for meeting spaces
 - e. Meeting space set-up requirements
 - f. Availability and cost of banquet (capacity and timing)
 - g. Allowance for food in hospitality room
 - h. Availability and cost of coffee
 - i. Placement of banners in main meeting space
 - j. Securable space for committee business and for merchandise sales
 - k. Average attendance, banquet, and other sales for last year's convention

At the point I had a panic attack and don't know what happened. The minutes from April were not approved. So no old motions needed to be voted on I don't believe. Major accomplishments: We have been able to get back into facilities for H&I. Woohoo!!! Our reaching out to other facilities trying to get the word out about NA in this Area. We have been able to provide Basic Texts to atleast 2 rehabs here locally. And several successful functions.

Specific problems/situations: Not much to report here.

Plans for the upcoming year: To continue to get our fellowship to grow. Hold more functions. Also try to get atleast 1 more H&I commitment. We have a lot newcomers wanting to get involved so we have begin to train them on some of the positions at an Area level.

Brief history of N.A.: I have been looking into to finding out when our first meeting was held in this Area. From what I can tell the first meeting was sometime in the early 1980's. We had a clubhouse on 308 East Texas for a long time. However it is now a turning lane. We are currently located in several different locations and have a clubhouse on 1321 Airline Drive Bossier.

Brief summary of what uour area would like to accomplish at the WSC: We like to see NA being spread more worldwide. Literature to reach to more addicts.

2021 YEARLY ASR REPORT –NORTHSHORE

The Northshore area currently has 14 groups, with a total of 30 meetings held weekly.

Our area brings a meeting into ADU every Tuesday for the women and every Thursday for the men. The size of Northshore fellowship has dwindled since COVID and based on our area minutes we have 34-45 members, however SLIDELL reports 50 addicts in their area.

H&I activity is limited to ADU, while we wait to enter back into the prisons. PR is doing good; Our website and phone line are up and running. We have no committee activities currently.

Major accomplishments include holding LARCNA XXXVIII online via zoom during this pandemic. We have also updated the women's meeting held every Monday to Hybrid, which brings women from all over the world together to share their recovery.

Specific problems and situations experienced in our area is a lack of attendance and participation. We have too many positions not filled at the area level. ESH is needed from our predecessors to guide the new addict in recovery attempting to serve. Slidell reports lack of addicts available to sponsor women specifically.

Slidell has plans to have more events to get others involved and bring us all back together again in person since covid. Spiritual Ninjas has started having birthday celebrations again in their meeting.

I requested all GSR's to provide specific info regarding the history of their groups in our area. I am grateful to report the named groups that took the time out to provide the info: Spiritual Ninja's, Serenity, and Freedom to Change.

Spiritual Ninjas in Slidell is about 3 to 4 years old and that area has a total of 4 home groups and 11 meeting throughout the week. Their goal is to bring us all back together in person.

Serenity Group in Hammond has been in existence since 1990, their past locations were Boys and Girls club, Downtown Dance Studio, in Hammond and currently meet @ St. Paul's Lutheran Church. Their strength is consistency and long-standing meeting, the shortcomings are low amount of home group members.

Unfortunately, no one from our area commented on what we would like to accomplish at the world service conference. I will make a personal comment here: Continue to spread the message through service positions to the newcomer who has no clue how to spell their own name. Keeping in mind, that when we get here, we have no structure. Learning and training on service positions in a way that is easy to understand. It appears this is available, but awareness is low.

In Loving Service,

Bobbie B.
