## **H&I Area Report**

H&I still continues monthly meetings at the Red River Treatment Center on the 1st Tuesday from 6:30-7:30pm with the men and on the 3<sup>rd</sup> Tuesday of the month with the women. We continue H&I meetings at the Edgefield Treatment Center on the 2<sup>nd</sup> Friday of the month from 6:30-7:30pm. We are also meeting at the Steps Recovery Solutions treatment facility on the last Friday of the month from 6-7pm.

We had a P.R. presentation with the director and staff at Drug Court last month and H&I will not be having panel meetings there due to their best practices policy that is mandated. This will be considered a P.R. effort instead to provide information about our local fellowship.

Region is looking for volunteers to go into Angola and the Women's Prison. There is an online application process that I can provide if interested.

I would like to thank all those who are a part of this vital service to reach the still sick and suffering addict.

Respectfully Submitted

H&I Chair

PR Report April 2023

Hello family my name is, Robbie, and i'm an addict

PR has been busy.

At this time the KALB network does not have any space available for new PSAs. They will let me know if space becomes available.

Myself and Trevis meet with the Staff at the Rapides Parish Drug Court to discuss options for their clients. They will be discussing bringing H & I presentations into the options for Peer Groups that are offered.

The Drug Court has requested for our area to put together a Sponsorship List of people willing to sponsor drug court clients. I will be compiling this list so please get with me if you are interested. Please take it back to your homegroups and let your members know the list is being created and to contact me to be added to the list. The drug court is also looking for willing participants to speak to the clients. This list will consist of names, numbers, clean time and days of availability. This is not going to be an H & I obligation. This is just members going in talking about their story and what is keeping them clean.

Our subcommittee also discussed moving forward with Printing business cards with the hot line number on it. We have decided to duplicate the current tear off cards and print two sided cards.

Thank You for allowing me to serve,

Robbie L.  
PR Chair
