ASR REPORT

My name is Doug and I'm an addict. Need conscience on regional motion today. I'm going to have to set up a workshop for the CAR next year so we can get a area conscience on 12 world motions. Do we want to get our conscience at the workshop or bring it back to groups. Region will be in Monroe or around Monroe. I'm not sure if I will spend the night or not. There will be a CAR workshop at region Saturday after business that will be on zoom. This workshop will be recorded and can be replayed. The regional minutes are huge and are on our website if you want to look at them. I believe every area has a new year's eve party. The region will be the second weekend in January.

**MORE WILL BE REVEALED,
DOUG F**

Hello my name is Robbie an I'm an addict.

H&I is still serving 3 facilities with 4 H&I meetings.

We had a few mishaps this past month but there were no complaints.

We are looking for more members to serve so if you could please remember to announce H&I at your meeting that would help.

we have donated the books to the treatment centers but are waiting on IP Racks to come in before setting up the IP station.

As always please let me know if H&I can do anything to help you carry the message.

Thanks for letting me serve

H&I chair

Hello, my name is Robbie & I'm an addict.

PR is doing its best to keep the website updated. I still need to check with the women to see if they have closed the Monday night meeting and remove it from the meeting list and website.

Other than that, there is not much going on.

Please let me know if there is anything PR can help with in carrying the message.

Thanks

Robbie L
